

Oklahoma Workers' Compensation Commission (OK WCC) EDI Claims Announcement

Trading Partner Testing for Mandatory Release 3.1 Reporting!

Date: May 30, 2018

The testing period for OKWCC Trading Partners (Direct Reporters) and EDI Vendors for testing IAIABC Claims Release 3.1 began on April 9, 2018. We encourage you to begin your testing as soon as possible.

The OK WCC Trading Partner Profile Registration(s) must be completed in order for testing to begin. If you have not yet registered as a Trading Partner, you must register now. OK WCC requires each entity, including those who plan to use an EDI Vendor, to complete the Electronic Trading Partner Registration. The Trading Partner Registration provides pertinent information to OK WCC about the Sender, Receiver, Insurers, Claim Administrators and transmission protocol. To register, go to <https://okwccedi.info/register>.

Trading Partners Transmitting Directly (Direct SFTP) and EDI Vendors are required to complete the Test Plan. The OKWCC Test Plan can be found at <https://okwccedi.info>, select Implementation Info. Trading Partners and/or their EDI Vendors must request testing feedback from Verisk/ISO by submitting the Oklahoma EDI Testing Feedback Request List R3.1 to okwccedi@iso.com.

Exception: No testing is required for OK WCC Free Web Entry filers.

Please note the following important information regarding the test files coming in:

- Must have proper information, coincident with method approved on Trading Partner Profile
- Test/Production Indicator (DN 0104): Located in position 82 of the Header Record should be set to 'T' for all testing

OKWCC will return acknowledgments to the Trading Partner during the testing phase(s). Processing is usually done the same day but no longer than 48 hours after the data is submitted with consideration for test file format issues or other unexpected processing issues.

Testing for Mandatory Reporting ends August 24, 2018 and Mandate Date for OK WCC EDI Claims Release 3.1 is September 1, 2018.

For additional information or help, please contact the OK WCC EDI Support Team at okwccedi@iso.com or visit <https://www.okwccedi.info>.

Thank you,
OK WCC EDI Support Team
