Oklahoma Workers' Compensation Commission (OKWCC) Announcement

Oklahoma EDI Claims Release 3.1, Version 1.4 EDI Implementation Guide and Requirement Tables Are Now Available!

Date: June 12, 2018

OKWCC has posted the Oklahoma EDI Claims Release 3.1, version 1.4 EDI Implementation Guide and Requirement Tables. The guide requirements are immediately available for download at https://okwccedi.info/requirements. You will find the updated guide under "Implementation Guide" and the updated tables under the "EDI Requirements" links on the left-hand side of the page. The changes to each document is located in the "OK Change Log" at the beginning of each document.

OKWCC started testing on April 9, 2018 and will continue testing with trading partners and vendors using Oklahoma EDI Claims Release 3.1, **Version 1.3** Requirement Tables until July 1, 2018. **Effective July 2, 2018**, OKWCC will begin testing using Oklahoma EDI Claims Release 3.1, **Version 1.4** Requirement Tables which will update Version 1.3. All testing will conclude on August 24, 2018 at which time OKWCC will prepare for the production implementation of EDI Claims Release 3.1 on September 1, 2018.
