Date: June 5, 2018

For electronic reporting of First and Subsequent Report of Injury to OKWCC, OKWCC requires that each entity, including those who plan to use an EDI Vendor, to complete the Electronic Trading Partner Profile Registration available on the OK WCC EDI website. If you have not yet completed the Electronic Trading Partner Profile Registration, please register now and no later than **8/1/18**. In addition to registering electronically, in accordance with 85A O.S., §6(A)(1)(a) and 85A O.S. § 123, trading partners must also complete the Trading Partner Agreement attached (also located on the left-hand side of OK WCC's EDI Website, underneath the Trading Partner Registration Instructions document). The signed agreement must be emailed to okwccedi@iso.com.

All Trading Partners must electronically register and also submit a signed Trading Partner Agreement in order to be approved for production. OK WCC Trading Partners must register via the Trading Partner Profile Registration and also have this additional Trading Partner Agreement signed and returned by **8/1/2018**.
